§ 744.17 Restrictions on certain exports and reexports of general purpose microprocessors for “military end-uses” and to “military end-users.”

(a) *General prohibition.* In addition to the license requirements for anti-terrorism reasons set forth in Part 742 of the EAR, you may not export or reexport commodities described in ECCN 3A991.a.1 on the CCL (“microprocessor microcircuits”, “microcomputer microcircuits”, and microcontroller microcircuits having a processing speed of 5 GFLOPS or more and an arithmetic logic unit with an access width of 32 bit or more), without a license if, at the time of the export or re-export, you know, have reason to know, or are informed by BIS that the item will be or is intended to be used for a ‘military end-use,’ as defined in paragraph (d) of this section, in Country Group D:1 (see Supplement No. 1 to Part 740 of the EAR); or by a ‘military end-user,’ as defined in paragraph (e) of this section, in Country Group D:1. This license requirement does not apply to exports or reexports of items for the official use by personnel and agencies of the U.S. Government or agencies of a cooperating government. See § 740.11(b)(3) of the EAR for definitions of “agency of the U.S. Government” and “agency of a cooperating government”.

(b) *Additional prohibition on exporters or reexporters informed by BIS.* BIS may inform an exporter or reexporter, either individually by specific notice or through amendment to the EAR, that a license is required for export or re-export of items described in ECCN 3A991.a.1 to specified end-users, because BIS has determined that there is an unacceptable risk of diversion to the uses or users described in paragraph (a) of this section. Specific notice is to be given only by, or at the direction of, the Deputy Assistant Secretary for Export Administration. When such notice is provided orally, it will be followed by a written notice within two working days signed by the Deputy Assistant Secretary for Export Administration. The absence of any such notification does not excuse the exporter or reexporter from compliance
